ESTATE VINEYARDS

OUR STORY:

As young children born in the Soviet Union, the life Henry and Olga would once have together was unimaginable. They traveled halfway across the world to find each other, and here in the states they started a family. For years, they would come to the Napa Valley with the best of friends and family, celebrating all the wonder that life had to offer. Slowly, the allure of wine country overtook them. They had a dream...

In 2007, Henry and Olga stumbled upon a place called Terra Del Cuore, and they knew that it would be the home for their vineyard. Together with their three sons, they founded Patland Estate Vineyards. Combining their estate fruit with that of renown Stagecoach Vineyard, Patland is producing some of the finest wine to come out of the Napa Valley today.

WINEMAKERS'S NOTES:

A unique Sauvignon Blanc, and refreshing not only on a hot day, but also when compared to most others. This wine jumps in so many different directions. It smells of fruit salad and white wine sangria, but then also lightly of cucumber peel. The mouthfeel is round and full, and it tastes of mango and under-ripe tangerine. The finish is creamy and zesty. This wine is so full of tropical fruit, and astonishingly not in the least bit sweet. It's savory and leaves you begging for the next sip!
